

THE TRAINED NURSES' ASSOCIATION OF INDIA

TNAI BULLETIN**VOL. 8 No. 3****MARCH 2019****You Can Do Much To Strengthen The Great Organisation that TNAI Is**

There is a parable of a bird bringing water drop by drop in her beak, to quench the fire. The monkey sitting atop a tree mocks at the little bird saying, "What can you do to the wild, wide spread fire with the small act you are doing." The little bird replied, "When history shall be written, my name shall be mentioned in the list of those who contributed what one could, to for a noble cause". Like drop by drop ocean comes to existence, individual efforts go a long way to serve a purpose appearing that is really great. The point I am deriving is, each member of TNAI can help the organisation grow and strengthen. Of course that requires sincerity and commitment.

At TNAI, we continue to be concerned at the membership number vis-à-vis vast potential, as of around one lakh nurses pass out every year, only 14000 to 15000 members are enrolled per year. This is something we have been fidgety about, for many years. In this context, our membership strengthening plan involved giving incentives to members based on their performance in two-year block. The new incentive plan seeks to reward members on monthly basis. We believe the new plan shall be perceived to be more attractive to motivate members for enrolling members in larger number. We request each member to spread the word, and begin by enrolling a minimum of one member; let the word be: Each One Enroll One. After all, in current era numbers matter and by numerical strength we shall be enabled to generate more funds to better serve the welfare of nurses and student nurses.

To ease and facilitate participation of final year nursing students in Basic Life Support (BLS) and Advanced Cardiac Life Support (ACLS), the institutions may note that the training in BLS/ ACLS can be clubbed with TNAI Orientation visits. However, TNAI should be requested to this effect three weeks in advance so that necessary facilities can be arranged timely. It may also be noted that the charges for BLS are Rs. 2,500 inclusive of GST (this includes course fee, breakfast, lunch, dinner, tea, snacks,

accommodation for one day. For attending ACLS, the charges are Rs. 4,000 that includes course fee, breakfast, lunch, dinner, tea, snacks and accommodation for two days. Both these programmes shall be held at CIN&R premises of TNAI in Greater Noida.

Good ambience helps increase productivity. Let me inform members that with a view to facelift TNAI Headquarters, substantial renovation activities are being undertaken, the process has already begun. We hope to give TNAI a state-of-the-art look in near future.

I invite each and every member of TNAI to partake of process of strengthening TNAI.

(Evelyn P Kannan)
