"Indian Nursing Council (INC) has taken decision to prepare 'Live Register' of all Nurses in the Country. The preparation and maintenance of 'Live Register' would help in

managing and deploying the nurse workforce both in education as well as in healthcare sectors. Accordingly, the Council is in the process of preparing a nurse unique 'Identification Card' which would be linked to 'Adhar Card'. This will facilitate online availability of data of active and registered Nurse/Midwives across the country. Further the INC has also taken policy decision to renew the licences once in a 5 year linked with 150 hours of Continuing Education. In this direction Healthcare Connections proposed 'The New Millennium Smart Nursing Conference' will help the Nursing Fraternity in their continuing nursing education efforts".

Dr. T. Dileep Kumar

President, Indian Nursing Council
& Ex-Nursing Advisor to the Govt. of India,
New Delhi.

"Nursing is an integral part of the healthcare delivery system and the New Millennium Nursing Conference 2016 is being organised to keep abreast with the emerging changes in Society and technology as well, and thus to empower them. Inviting all Nurses, Nursing Leaders and Clinician professionals to Register, Attend and Update. Smart Nursing Conference is going to be a unique experience for all."

Mr. Sudhir Sarup,

Chairman, The New Millennium
Smart Nursing Conference
& Chief Editor, Healthcare Connections,
New Delhi.

Cordially Inviting You to Register, Attend and Upgrade...

"Nurses play an important role. They promote a safe environment for their patients, participate in research and assist in framing of health policies, shaping up young nursing buddies in nursing educational institutions. Military Nursing Service has emerged as a vital component of the Health Care Delivery System in the Armed Forces with its mission- **"Excellence in Patient Care"**. Our Nursing Officers have distinguished themselves by providing quality patient care with total commitment, missionary zeal and professional competence to its clientele both in peace and war. Today, Nurses hold an important position in overall healthcare system. I wish **The New Millennium Nursing Conference** all Success and appeal to all nurses to attend, participate and upgrade their knowledge and careers".

Maj. Gen. Sushila Shahi, VSM
Additional Director General Military Nursing Service
Office of DGMS (Army), New Delhi.

"Nurses are the foundation of Healthcare Quality Programs as most of the delivery and auditing of patient and health care is carried out by nurses. In future, the concept of a 'nursing practitioner' and research in nursing, need to be encouraged more along with evidence-based nursing practice. The New Millennium Nursing Conference 2016 aims at updating nurses with this new and emerging technology."

Ms. Anita A Deodhar,
President, TNAI,
New Delhi.

"The Smart Nursing Conference 2016 will highlight the importance of Nursing in the 21st Century India and in preparing the Nurses and Clinicians to enable them to treat patients with critical illnesses as well as preventive care. It is one step towards up-gradating their status in Society too. Register today and update your career."

Col. Binu Sharma,
President, Infusion Nursing Society, Hyderabad.

"Nurses will play a fundamental role in shaping the new paradigm of healthcare. With the exponential growth of healthcare technology, nursing leaders have to adapt their knowledge to lead and guide their teams with inspiration and innovations. The New Millennium Nursing Conference 2016 will empower you to maximize your knowledge, skills and potentials as a Smart Nurse to meet the emerging challenges of Smart Hospitals of Tomorrow, heads on."

Ms. Kawaljeet Oberoi,
Chief of Nursing, Fortis Hospital, Gurgaon.

"The New Millennium Nursing Conference 2016 presents nursing as an approach for improvement in healthcare services and also strengthens the foundation of Nursing by having discussion on all form of Nursing care. Nurses are the foundation of Healthcare Quality Programs as most of the delivery and auditing of patient and health care is carried out by nurses. Their knowledge, clinical decision making, accomplishments, approach, conversation and other soft skills make all the support in the eventual delivery of healthcare to the patients."

Ms. Saravej Kaur,
Director Nursing, Medanta Medicity,
Gurgaon.

"The Smart Nursing Conference aims to empower nurses with the latest and emerging trends in nursing worldwide. Nurses needs to be align and arise to the dynamic and evolving

healthcare milieu to be able to influence patients, doctors and other healthcare professionals & healthcare policy as well. It is time to showcase the best of nursing education in India and the economically advanced, clinically competent & humanely compassionate nurse who is popular across the length and breadth of the globe. Smart Nursing Conference 2016 is undoubtedly the Biggest Nursing Event of the Year. A must for every Nurse and Nursing Student. Register, Participate and Update!"

Capt. (Ms.) Usha Banerjee,
Group Director Nursing,
Apollo Hospitals Group, New Delhi.

"The New Millennium Smart Nursing Conference 2016 will highlight the role and significance of Nursing in India , thus focusing upon empowering Nurses to lead patient care. The conference aims at sensitizing and updating Indian nurses with the emerging technology that matches the best across the globe.

At Max Healthcare, we truly believe in this notion and are therefore committed towards providing high level of Patient care through best in class nursing practices. I urge as well as recommend all professional and student nurses to attend this Conference and enrich their knowledge".

Capt. Sandhya Shankar Pandey,
Group Head – HR (Nursing) &
Group Head – Nursing Quality, Education and Training
Chairperson – Nursing services; TNAI, Delhi State

"The New Millennium Nursing Conference 2016 discovers the power of Nursing Profession and role of empowered nurses. Power is necessary to be able to influence an individual or group. Nurses needs to be empowered to be able to influence patients, doctors and other health care professionals, as well as each other. As Healthcare is one of the most people intensive service industries of today. Not different from other service based industries – employees influence customer satisfaction. And so the empowered Nurses influence better patient outcome.

Register and attend the Smart Nursing Conference".

Dr. A. T. Kora,
Chief of Nursing, St. Stephen's Hospital, New Delhi

"Nursing is a respectable profession and society as well as nurses themselves should be proud of the work they are doing. It inculcates a sense of maturity, empathy, dedication, commitments and scientific knowledge. Nurses are loyal to the profession to serve the patients, society and the nation. I appeal to all Nurses to register and attend The New Millennium Nursing Conference 2016 and update themselves with the latest technology and systems".

Ms. Evelyn P. Kannan,
Secretary General, TNAI, New Delhi.

"Nurses take care of on going assessment of patient health. Their round-the-clock presence, observation skills, and vigilance

allow doctors to make better diagnoses and propose better treatments. Many lives have been saved because an attentive nurse picked upon early warning signs of an upcoming crisis like cardiac arrest or respiratory failure. The New Millennium Nursing Conference 2016 discusses wide scope of Nursing for significant health outcome as well as for up gradation in Nursing career."

Ms. Nishi Giri,
Nursing Superintendent, AIIMS, New Delhi

"Nursing is an essential part of the clinical benefits for any healthcare organization. The aim of nursing practice is to provide extensive nursing care in terms of health service

encouragement, prevention of diseases & infections and remedial nursing care to the patients in a Healthcare Sector as well as to the society. The New Millennium Nursing Conference 2016 aims at fulfilling this. Register and Update!"

Ms. Sunita Beniwal,
Officiating Nursing Superintendent,
Safdarjung Hospital, New Delhi.

"Nurse practitioners in critical and acute care like oncology, emergency care, neurology, cardiovascular care, and anesthesia, can be prepared to function in tertiary care settings only after training and this 'The New Millennium Smart Nursing Conference' aims at highlighting the need of such a curriculum in the emerging India. I appeal to all the Nurses and all healthcare professionals, hospital owners to attend this conference and contribute to achieve ultimate patient care by 2025."

Ms. Niang Nei Kim Simte,
Chief of Nursing,
Lady Hardinge Hospital, New Delhi.
